

Glenn Othel Morgan

September 23, 1935 - December 21, 2015

Glenn Othel Morgan, born September 23, 1935 passed away early morning Monday at the age of 80 from a sudden heart attack. Glenn was a man of old fashioned morals. He believed his word and handshake was just as good as a signed contract. When a neighbor or friend needed help, he was there. He believed in hard work and at the same time made those around him enjoy it. He had a quick temper but a heart that was even quicker to forgive.

Glenn graduated from East Coweta High School in 1953 in a class of only 13. He then worked for Gulf Oil in Atlanta while attending Georgia State University at night. He started work for Delta Air Lines in June of 1959 and then retired from there in December of 1993. He then worked for Aviation Construction and later Robert and Company in Atlanta. At the age of 70 he finally retired for good and spent his time enjoying his family and hobbies which were golf, gardening, telling jokes, playing cards and most of all spending time with his grandchildren.

He is survived by his wife of 40 years Connie and children; Ted and his wife Terri Morgan of Fayetteville, GA., Becky Goss of Newnan, Lisa Morgan of Fayetteville, GA., grandchildren; Matthew (Mandy) Morgan of Smyrna GA., Kacy (Chuck) Donathan of Hawaii, Andrew (Morgan) Morgan of Woodstock, GA., Bayne (Devyn) Goss of Senoia GA., Tyler (Aria) Morgan of Tampa, FL., Trevor Morgan of Memphis, TN, and 4 great grandchildren. He is also survived by brothers Jimmy Morgan of Senoia, GA., and Ronald (Carol) Morgan of Conyers, GA.

The visitation is Saturday, December 26th from 12 PM until 2 PM at McKoon Funeral Home in Newnan. Condolences may be expressed to the family online at www.mckoon.com.

“ My dear friend Glenn...25 years ago, God brought an incredible man into my life...as a new representative of Steelcase, I was given the job of working with Delta...after many Friday mornings of pastry deliveries to Facilities at Delta, I had the joy of making relationships with many incredible people whom I dearly remember...however, Glenn was my favorite...he was my greatest supporter, protector, encourager and guide...I will never forget his smile, his humor, his hugs and love...last November at Matt's wedding, I was given the gift of reconnecting with Glenn after 25 years...he never changed...smiles, hugs and love...Thank You Jesus for bringing this incredible man into my life and for reconnecting us one more time after so many years...I am so thankful for Glenn's friendship, his beautiful wife, and his grandson, Matt...

“ My Friend Glenn

First, I would like express my sympathy to Glenn's Family and especially Connie.....for your loss.....

I'm sure many of you are experiencing some of these thoughts....If only I had some more time to make that call, renew our friendship, play one more round of golf, laugh at old stories and yes maybe say I'm sorry for not having made the effort this last several years. Like got in the way.... good excuses. Children getting married, having grandchildren, taking care of aging parents to take care of and working out of town.....none the less I'm sad I lost a friend....

Here's a few memories I have of Glenn (GO)

I first met Glenn after he transferred from the Delta TECOP's group to the GO Facilities. I believe he first worked projects in LAX and DFW. Somewhere during those DFW trips he must have met Connie.....He certainly enjoyed this change from the then "JetBASE" and had many successes including his project in Chicago and the time he spent in Europe.

Even prior to the PAN AM acquisition Glenn managed assignments in France and Germany. I can only imagine what first impressions Glenn may have made I would have loved to have heard his French and German southern accent.... Glenn never met a stranger and I'm sure he quickly gained respect and trust from his counterparts.

The PAN AM acquisition in 1991 brought many challengesHe said one time he never seemed to be far from working with John Boatright (Europe VP Frankfurt)..... (or was that he couldn't seem to get away from reporting to JWB) Glenn often had advice for Ron Allen as we all knowgiven in that timeline Delta's stock was \$71+

Glenn was always light hearted and kept everyone smiling in the

Delta Facilities office environment.....had his opinions on many issues and would spar with Wally Sills at the drop of a hat.....

Glenn was a man of integrity (what you do when others are not present)

His retirement in 1993 for me personally was the passing of a True Delta Generation and while I was sad to see Glenn and others depart I would submit they were fortunate to miss the "The Supply Chain Era"

On to Golf ...we shared many golf mornings with an early breakfast at Flat Creek (Glenn loved his Breakfast as we all know so well) Golf was just one of his many passions and besides he fancied beating Terry Stratton....We didn't win many...right! Terry.....

One final memory. As you know Glenn was a Georgia Fan. Vince Dooley also received some GO advice occasionally but I'll spare you the expletives...

Some 35 years ago I was at Glenn's home in Tyrone that famous night when Hershel Walker debuted as a freshman and Tennessee's Bill Bates was trampled. We were radio listeners that night as we enjoyed his new HotTUB ..Times have changed....

Yes this brief writing was therapy for me and yes I was sad to learn of his passing, wished I had made that call.... At some point I hope to have a future tee time.....

There are many that will miss you...

“ I first met Glenn when I was about 13 or 14 years old when Glenn played softball with my brother Calvin Mason at Fireman's Fund Insurance Company. I thought of a lot of Glenn and am so sorry for your loss. Our paths didn't cross until many years later at Delta Air Lines. When my brother passed away in 1986 I recall seeing Glenn at the funeral home. My brother always spoke highly of Glenn and hated to see him leave Fireman's Fund. My God bless you all through this tough time but have comfort in knowing that Glenn loves you all with a strength he never had before. Rex Mason

“ I first met Glenn at Delta where we shared common projects. Glenn was always one of the best to work with. It was also a pleasant surprise when he moved to Shoal Creek and became my neighbor. I will miss those short roadside chats with Glenn.
I was so sorry to hear of Glenn passing and our thoughts and prayers are with the family.

“ Ted - friend from my youth... I am so sorry that you and your family are suffering through this incredible loss. Through farewells to those I loved, I've learned that one doesn't really get over losing that special one - but we do get through it. The pain can seem immeasurable at times, but I trust you will lean on all of those who were touched by your father and know that the lessons he bestowed on you and others, the great gifts of love and laughter, the shared memories you have gathered through the years will not end with his passing.

Our parents are our buffer between this life and the next - and when they depart, we face life feeling a bit lost and afraid. Let those thoughts and fears subside as you are the son of one great and incredible man who showed you, through his own life, how to face life's challenges, seeking to grasp the great goodness in every breath. You are your father's son and that is a gift that will never depart.

Many of your friends are praying for your shattered heart this day and are here to help in any way you need. The tears you shed will someday refill your heart and make it whole again - as you'll see your daddy's face in your children and theirs' and one day - the circle will be whole again!

May God bless you my friend.

“ *Connie, Ted, Becky, Lisa, Regis and Jimmy,*

My heart just broke when I heard about G.O.. He held a very special place in my heart. I pray you find comfort in knowing that someday you will see him again. What a happy reunion day that will be. May God wrap His arms around each of you during this time and comfort the pain that you are experiencing at this moment. But rest assured that G.O. is in a much happier place than we are and I'm sure he was so happy to see his sweet Mama and Daddy! I pray for peace that surpasses all understanding for each and everyone of you!
