“ Dear Lyn, Kel, Gloria and family, My father Al Purcell told me yesterday that Gloria had passed away. Your mother Gloria was such a beautiful, elegant and sweet lady. She was greatly loved by my grandparents Duke and Louise Jones, and my mother Louise Jones Clymer, and I fondly remember spending many hours visiting with Gloria and your father Kelly. They were such a warm and loving couple. My thoughts and prayers are with you and your family during this time of mourning. With love, Chrissy (Purcell) D'Ascoli

“*“Miss” Grenga was my 1st grade teacher at Western School in Welcome in 1955. She was so sweet and so beautiful. And I saw her about 50 years later and she still recognized me. She was always one of my favorite teachers. I am remembering the family and praying for their strength in the coming days. Miriam Moore Lanier*

“*I have known Gloria for many years. Always remember her fondly for wearing hats to church and more recently seeing her at Wesley Woods. She would come hear us sing with the Gospel Heirs. A very sweet lady. Maggie Adams*
