“ Bill, Our family wishes to extend our condolences to you and your family at this time of loss. We know how much you loved and cared for your Mom. I remember her well, though it has been a long time since I have seen her, I recall that she was always gracious and kind to us. I hope your memories of the happy times will console you in the days to come. We wanted to let you know we are thinking of you today. May she rest in peace.

“ Dearest Bill and Family, I was so very sorry to hear of the recent death of your Mom. I am still in shock and can only remember how alive and vibrant she was when I assisted her in purchasing her home in Summer Grove. I know you will have a lot on your plate in next days and weeks to come but I would love to hear from you. I keep up with the news in Newnan even in Virginia which is how I received the news of your Mom. I know she is in a wonderful place and I do hope she didn't suffer before leaving. She was such an intelligent lady and knew exactly what she wanted and had such great style in everything she did. I will certainly keep you in my prayers and know that you are in my heart. Love to you all, Judy and Dray Summers

“ To the family of Gloria Tudor Walker, I am so glad to have known Gloria and been able to visit her in her new home in Newnan. She was such a gracious hostess. She has greatly influenced the lives of her children and their families. Her legacy will live on in each of you and the pain you are feeling will one day be replaced with the wonderful memories she has been a part of in your lives. Take the time to grieve that you need, for the pain is unbearable and sharing it will help. Many people are praying for you and love you. My thoughts and prayers will continue to be with you in the coming days. Love, Carla
