“ It has been many years since I have been with the Crater family. It's very hard to believe that Jerry and Pat have went to Heaven already. They were awesome to have as a Aunt and Uncle !  
Gloriane Only four years older then I And as my older cousin when the parents went out at night at family get togethers I always felt safe when she was in charge. Her confidence and ability to keep things calm ( when they weren't)and her genuine personality of being so damn nice. Rest In Peace. Jeri and Mike our thoughts and prayers are with you and your family.

*Hello. I learned about G death some time ago. She was my boss out in Las Vegas when we worked with Marriott/Sodexo. I really enjoyed working with her. She had a great personality and fun to be around. She helped me get promoted to the Long Beach area at an account that she worked at previous. Everyone was fond of her. Including me. I'm really sorry to all of her family and fiancé as I have read. I'm sure she is resting in peace. I wonder what happened? No matter. My condolences. Mike. Cush5064@gmail.com.*

“ *Gloraine "Glo" because that is what you did....  
A beautiful smile that warmed anyone near  
you. I don't ever recall in the years that I knew  
you, a time when I didn't see you smiling or  
laughing. You exuded joy always and it was  
such a pleasure to share a conversation with you. I know you were  
deeply loved while here on Earth and you will forever remain in the  
hearts of the people who were blessed to know you. God Speed  
Glo! Spread your wings and fly! May God wrap His loving arms  
around the family and friends of this sweet soul and provide the  
comfort and strength needed to get through such a difficult time.  
Blessings,
