November 4, 1964 - July 7, 2024

Gregory M. Gantt left us suddenly on July 7, 2024. He graduated from Riverdale High School and was a life long resident of Newnan, GA. He was preceded in death by his father, Charles Gantt; grandparents, Quinton, Katherine Chambers, and Bernice Gantt; and uncle, Ronald Chambers.

Gregory's biggest joys were racing motorcycles and riding dirt bikes, watching college football and all sports, and caring for his father, Charles, who struggled with Parkinson's Disease.

He leaves behind his mother, Patricia Chambers Gantt; Michael Chambers and Paul (Carolyn) Gantt; and many other family and friends.

He is deeply loved and will be missed by many. Rest in Peace, Gregory.

“ Greg was one of a kind and a very talented person. Though he showed a tough exterior (even as a young boy) he had a good heart that those he felt comfortable with knew all about...especially his nieces and nephew.

When no one was able to teach my son how to, properly, tie his shoes, Greg was able to teach him how to do it within an hour! Jansen has never forgotten that special time they shared and how easy he made it seem for him to get it.

We sure had some fun times in our childhood and growing up, over the years.

I pray for you, Patsy, everyday, that God and your good memories bring you peace and comfort.

“ 🙏 RIP Greg Gantt. You entered this skating rink so many times in your life and had so many friends in this group with so many memories to cherish. God Speed my friend. 🙏 I always have and always will remember you when I hear the song “My Sharona”, I remember you singing this song and skating to it when we all were hanging out at the rink. 🙏 I remember being on the phone with you and some of friends and we realized what “party lines” were for the first time... they were listening to us and we were listening to them and took about 10 minutes to realize that we could hear each other... this cracked us up for an hour at least, lol !!! 🙏 And when we thought Sherry was going to beat you and a certain other friend to death for making out behind that counter in the back of the rink where the lights were showing All Skate and all the other lights.... 🙏 Those were some great times in all of our lives. 🙏

“ I’ve known Greg since I was a little girl and loved him like a brother. Knowing he has gone leaves an unfillable hole as losing a family member always does. Greg had such good in him, always fun to spend time with, and although I had not seen him in several years, nothing ever changed the way I felt about him. I have a million memories of him throughout the years, great stories with his laid-back demeanor and delivery. This all makes the world a little smaller. I pray Patsy can find peace knowing Greg was loved, and no matter the distance or time; he will be missed.

“ *Sad to hear of Greg’s passing.*

*We used to cruise 85 in Riverdale from Stingray’s to Krystal’s. I remember he used to drag race his fastback Mustang and usually won.*

*He was a dirt bike rider like me and my brother, Scott Russel and a few others. We were quite the ragtag group of teens tearing up the streets of Riverdale back in the day.*

*God rest his soul!*

“ *You will certainly be missed! It seems like yesterday we were in high school finding trouble. Thank you for all the long phone conversations and all the laughs that came with them. I will always cherish these memories. You may be gone on this earth but will never be forgotten. God has a special place for you. Watch over your mom and guide her heart to heal. Until we see you again Greg! Much love!!*

*I'm so sorry to hear that he is gone. I know he will be missed. I wish that we all didn't lose touch with each other. It had been a while since we spoke. I'll never forget him. Especially when he picked on me when I was little. Scott and him would practice karate chops on me. Patsy if you need anything or just want to get out of the house and visit the mountains let us know. We are in Jasper . This is such a loss. He was way too young. You are in our thoughts and prayers.*

*I watched Greg from when he came home from the hospita and he spent a lot of time with us. I would take him with me to a girls house. I remember one girl was driving my car and slammed on the breaks to avoid hitting a cat. As I was sitting in the front seat I caught Greg flying by from the back seat.. Took him to get his first hair cut with my brothers help and even Santa Claus. Uncle Mike miss you Greg!!!!!!*
