“ We were very sad to learn of Larry's passing. We were back yard
neighbors for about 35 years or so. We could solve most of the
worlds problems in just an hour or so at the back fence. We learn
different things about grass and flowers and the like from each
other. (mostly it was our spouses who did the learning). He will be
missed by all of us in the family that knew him. Our prayers and
thoughts go to his family. Stan and Diane Darrow & family.
