I am thankful to God that he blessed me with a mom who was perfect in every way and he gave you to me for 44 years! I love you mom and will never stop loving you or missing you!!!

“ To Janelle's family, When I first started to work at YCA it was for Janelle. She made sure that we completed our work each and every day but she did this with smiles and kindness. Janelle was my group leader for several years and we developed a respect for each other. Stay strong and know you will meet her again one day. Prayers for the family as you go through the pain of your lose.

“ I am so sorry to hear about Janelle. I worked with her at YCA for many years and I will always remember how friendly and upbeat Janelle always seemed to be. We worked in different areas but we always had the chance to stop "in the hall" or cafeteria and chat. She will be missed. My deepest sympathies to the entire family.

“ Ms Janelle, I am sorry we never had a chance to meet, but I know you were a good friend to my mother, Mattie Tenney. She loved you dearly. I never had a visit with her without her speaking of you. I am so sorry for your family and friends' loss. I pray the Lord will give your family and friends peace knowing you are with Him. I also know you will be truly missed. With Love, Amy L. Adams

“ I would like to express my deepest Condolences for the loss of such a wonderful person. I am the daughter of Mattie Tenney. Miss Janelle was her best friend. She was always such a sweet and thoughtful person. My mother and she were always going places together and doing "friend" things. She was the only friend who visited my mother when she was in the hospital. I really appreciated that. Miss Janelle was like my mother's life line. She will be truly missed. I know how grief feels and I pray that God will be with you all in your time of sorrow. Miss Janell touched so many lives, in such a wonderful way. My deepest sympathy, Lisa Brannon

“ So sorry to hear about Janelle's passing. She was a wonderful colleague at YCA and as a young supervisor there, her warmth and caring for the success of her fellow workers helped form the approach I have taken in my own career. A special lady whom I will truly miss.
