He could bring happiness and joy to you no matter what! He is a perfect example of what a husband, father and grandfather should be. I have loved and admired your family my entire life! Your family is a true blessing to know and be part of! Harold will be missed but never forgotten!! Love you all So Very Much! Love the Chapman family!

“ Dear Betty and family: I was so shocked when you called Sunday night to tell me about Harold. I know how devastating it is to lose your spouse. I think of Lawson every day and will never get over the fact of losing him. I am so sorry, but because of medical issues I have, I will not be able to attend visitation nor the funeral, but you will be in my thoughts and prayers. I know that if there is a pool table in heaven, he and Lawson and some of the other guys who played with them, are all gathered around it and having a wonderful time. May God wrap his loving arms around you and comfort you and help you to find peace at this time, as only He can. My love to all of you.

“ *Betty Jo, I am so sorry to hear of Harold’s passing. Harold and you have been long time friends. It’s hard to express my feelings. I grew up with all the Earles and it’s like part of my family has left little by little. Irene and Jackie Ray were a shock and now Harold. My prayers and thoughts are with you and your family. God Bless.*
