

Harold Lee Kee

August 13, 1949 - April 7, 2019

Abraham Lincoln penned the words, “it’s not the years in your life that are important, it’s the life in your years that matter”. Harold Lee Kee was the personification of these wise words. Harold was a person who started out in life under some rather unique circumstances, having been born on the front porch of his parents’ house. His story began on August 13, 1949 as he was the third child born of the late Harvey Clinton and Eva Astalee Jones Kee. While his earthly journey ended last Sunday, April 7th at Emory University Hospital, he embarked on the greatest adventure ever, as he slipped away into eternity. Harold learned to take life on the best terms available and make everything and every opportunity count for something. He always looked forward to an adventure whether it be as simple as a family get together or a carefully planned trip with his traveling buddies Mike and Lee. He relished being at one with nature, and if was a fishing pole or golf club involved, even more so. Harold was very serious, though, when it came to responsibilities as an employee at Delta Airlines and later at Travelliance. Harold took his job as a husband and father as an honor that required his utmost attention. This was very evident as his family endured the loss of his son Harley. It would be a call to their family to reinforce the bonds of love and dedication and face this trial together. Harold was a dedicated and supportive husband to his wife, Nancy Coggin Kee. He felt that it was his responsibility to be an exemplary father to his children Darren C. (and Bridget) Kee and Kristi Kee Johnson. Fortunate, indeed, were the grandchildren he adored, Sydnie Kee, Ava Johnson, Hayes

Johnson and Cameron Cook. Harold is also survived by his siblings Charles Kee, Danny Kee and Mattie, Karey Murphy and Johnny. He is also survived by his sister-in-law Connie C. Webb and Marty. There is a large extended family of nieces and nephews. The family will receive friends and share memories on Tuesday, April 9, 2019 between 6:00 PM and 8:00 PM. There will be a service to honor and celebrate Harold's life on Wednesday, April 10th at 2:00 PM in the McKoon Funeral Home chapel. Interment will follow at Forest Lawn Memorial Park. It is suggested that those who wish to honor Harold's life may do so by a memorial contribution to The Psoriasis Foundation www.psoriasis.org or to Children's Healthcare of Atlanta www.choa.org. Online condolences may be expressed at www.mckoon.com. McKoon Funeral Home 770-253-4580.

“ I worked with Harold in Delta PAX service for a couple of years at the old ATL airport. Two things I remember most about Harold - if you were having trouble at your gate, he would always pitch in to help you get out of a jam. And, he was able to find (or create) humor in every situation. Harold was a friend to all of us.

Rest in peace Harold. Praying for strength for the family.

“ Deeply saddened to hear of Paco's passing. He has been Paco since our days at the old airport when he encountered an Hispanic customer who was irate. He looked at Harold & said come on Paco you can do better than that. Paco was not only a great co-worker, he was also a friend. Although I have not been close to him for the past 25 years will never forget our times at work & fishing trip to the Key's. Nancy, remembering you & family in prayer.

Harold (Tom Selleck) was my first Boss at Delta Air Lines. He was truly a pleasure to work for and with! My heart aches....without being able to talk, email, text or IM him daily. He was one of a kind. God broke the mold when he created Harold. Today, 5/19/19, I was in Aldi's and a man said ma'am you have something on your shoe. I looked up and the gentleman looked exactly like my Harold. I was in total disbelief and said thank you. Wow is what I kept repeating to myself. There is no comparison when it came to Harold. He was simply the BEST!!!!!! I was blessed to have known him for 26 awesome years.

My deepest and utmost condolences to the Kee Family friends.

“ Harold was such a joy to work with. I remember one day I called him at 10:50am and he said now Donielle you know I have to go to subway so hurry up and tell me what you need. From that point on I would call him after 12 so he could enjoy his lunch. He always had a funny story to tell me. Praying for the Kee's family
