“ Hey Brother Harold-I know you had to get a real joy out of the way your Memorial Service went--It was the best--so much like you. We may have had our brotherly/sisterly ups & downs, but one thing I never had to question--your LOVE for me. I will miss you more than words could ever express, but will never forget my Brother -"Mr. Personality" Love you forever, BeBa

“ Nancy, Dent and Trey, So many memories through the thirty-seven years of being neighbors and friends, Harold was one of a kind, God threw away the mold after he was created. I loved our times together arguing politics. Moments I will treasure! So many other things that won't be forgotten. While tears of sadness are shed, tears of gladness are also shed in knowing that Harold was right with Christ and is in a much better place with no pain and suffering. We take comfort in knowing that through the grace of the Lord you will find comfort in friends and family during the healing process. Remember we are only a call away.

“ I met Pork Chop when I came to work for Manheim, he was a good man and I love to tease him about Georgia because I am an Alabama Tide. He will truly be missed. May God be with the family.
