“ Our thoughts and prays go out to Allen's family and friends. Allen was both a friend and mentor for me when I started working at Delta, dept 284 in 1988. My wife and kids enjoyed seeing him when we had bean dinners at work. I planted two blueberry bushes this past spring... Will enjoy the berries for him next summer. We had many conversations about gardening. God Bless

“ Mr. Alan will be remembered for his sense of humor, generosity, kindness and friendly "hello" in church. Each summer as we pick blueberries from the saplings he shared, we will thank the Lord for his life and remember what a fine gentleman he was. May the Lord cover you with his grace and peace that passes understanding and may you be reminded often of His mercy.

“ I am truly sorry at the passing of Allen Black. He was my mentor in the Delta Airlines Engine Harness Shop and the finest electrician I ever knew. To this day we still talk about the quality of work he did and the skills he taught all of us "Jeeps". Sometimes I did not listen and over time I discovered that he was right. I called him "PeePaw" and I was his "little Bobo." Allen Black was a good man, a hard worker, honest, trustworthy and very smart about many things. I will miss him greatly.
