

Harry Thomas Hunter

December 15, 1946 - February 27, 2010

After putting up a strong battle these last months, Harry Thomas Hunter lost his fight against lung cancer early on the morning of February 27th at Piedmont Newnan Hospital. He peacefully gave up the bonds of this life and slipped into that great beyond he truly believed awaited him in the presence of God – a truth he had recently affirmed. Harry was born in Newnan December 15, 1946 and was the son of the late Richard Thomas and Wyvette Lucretia Shelnuttt Hunter. He was proud of the heritage of the Hunter family in Coweta County and expanded on that heritage by his active involvement with his large family and his greater family of friends in the community. For 33 years, Delta Airlines benefited from his dedication to detail in any task assigned to him. His amiable spirit enabled him to be a team leader and one who would see any task through to completion. Harry's greatest love, though, was his family. He gave his greatest energy to being a loving husband, kind and encouraging father and grandfather without equal. Sunday lunches with those around him who he loved were the most special times of his life. In the free time he managed to squeeze out of his busy life, he was the consummate outdoorsman. He loved the great creation of nature and would often break up the peace and quiet with a little target practice. Surviving Harry is his wife Margaret Millians Hunter. His children are Melanie Hunter Jones and Rick, Jill Hunter Costley and Craig, and Sara Hunter. Giving Sunday lunches a real edge were his grandchildren Rebecca Williams Vaughan (Chris), Taylor Jones, Madison Jones, Gracie Jones, Bailey Billitteri, Connor Costley and

great grandchild Caden Ryan Vaughan. Also surviving are his brothers James Lee Hunter, Roy A. Hunter and David Bryant Hunter. Last, but certainly not least, he lives behind his best buddy, Sonny. Funeral arrangements are by McKoon Funeral Home at 38 Jackson Street where the family will receive friends on Sunday between 5:00 PM and 8:00 PM. The funeral will be on Monday, March 1, 2010 at 2:00 PM at White Oak Presbyterian Church on Gordon Road. Officiating will be Reverend Tom Shoger and Reverend Chuck Wilson. Interment will be in the church cemetery. Serving as pallbearers will be Tim Gable, Daniel Hawk, Michael Fouts, Chris Millians, Philip Millians, Buster Hunter, Ben Sewell and Don Smith. Honorary pallbearers will be fellow Delta retirees. Those who wish to honor Harry's battle against cancer may make a donation in his memory to The American Cancer Society 301 Kelly Drive, Suite 3 Peachtree City GA 30269. Online condolences may be expressed at www.mckoon.com.

“ Harry was my supervisor at Delta Airlines, he was the best supervisor at Delta, great friend and always there to help in any way at your job. Went fishing with him a while back and he used to always tell me to set the hook or this fishing pole might whack you on the head. I loved Harry Hunter for all he did for me at work and away. I will miss you.

“ My deepest sympathies to the Hunter Family. Harry was the best supervisor I ever worked for at Delta. He was my first training instructor on the ramp in 1978. He always talked about his family and a close second was fishing. He always had a fishing tip. Thanks for sharing him with us. He is now catching 10 pounders everyday.

“ The Butlers are praying for you now and in the days to come. I can't say I understand how it feels to lose someone that close, but I know what it feels like to have people tell me they care. Mrs. Margaret, we care about and love you as our sister in Christ. We know Mr. Hunter reaffirmed his love for his Savior and left this painful world to be with him in eternal peace. For that we are grateful. Carolina especially sends her love to you and prays for peace to come over you in the days ahead. We love you!

“ Thoughts and prayers are with the Hunter Family in their loss.Harry was one of the most respected and well liked individuals at Delta. Do not believe he ever met a stranger. Years ago my Father and his friend from Tennessee was at West Point Lake for our yearly fishing trip. When I and others arrived Dad told of meeting a Delta guy on the lake who noticed the Tenn boat number and started a conversation. He identified the individual as very nice and stated after their "lengthy" conversation that he felt he had know the guy for years. Said his name was Harry. Knew right then who he was talking about. Dad never forgot that encounter and continued to ask about his friend Harry for years to come. Harry was that kind of individual. He will be missed but not forgotten. God Bless His Family. Cherish the Memories.

“ I was one of the first people that Harry and Margaret told they were married back in 1965. From that day until the last time I saw Harry in November 2009, it was as if we were best friends when we met. No matter how much time had passed since the last time I saw him, we just picked back up where we left off. He was quite the conversationalist and there was never a loss for what to say around Harry. AND if all else failed, bird and deer hunting, doe season, and bass fishing were always there to be spoken about if necessary!! Blessings on the entire family. Harry will be missed by many, no doubt. I wish I could be with you today and tomorrow. The next time I come to Atlanta, Margaret and Sara, you will be tops on my list of people to visit. Until then - Love and hugs - Gail
