“ We are told, 'to be absent from the body is to be present with the Lord.' We cannot imagine the joy sweet Hazel has now. God bless the families I pray.

*I went to church with Mr. and Mrs. Barnett years ago. You would not have found a finer Christian couple. I loved to hear them sing on Sunday night. What a blessing they were to all. My prayers go out to all the Family members.*

“ *Buddy and I are so sorry for your loss. Buddy has so many memories playing the bass for Barney and Hazel when they were singing. They were so special to me and meant the world to us. May God give you peace and comfort at this time knowing you will see them again soon. Our prayers are with you*

“ *Mr. and Mrs. Baker were up the road neighbors to us all of my growing up years and were stable community members all of my life. One of my most vivid memories were sitting with my family on our back steps and listening to them sing as Mr. Baker played the piano and Mrs. Baker and family would join in singing as they practiced. Many times when I was young I would see them sitting on their porch and I would stop and chat with them as I rode my bicycle past their house. They were good christian folks, salt of the earth, hard workers, always remember how neat they kept their yard and house. We were sadden to hear of Mrs. Baker's passing and ask God's blessings on her family.*
