“ I have so many great memories with Heath. This is the hardest thing to experience in my life. He has always been by my side ever since we were little. I'm so proud of what he has accomplished in his life and to make such an amazing impact on so many people. A part of my soul passed away with you on December 2nd. My heart will be emptier, my smile won't be so bright and my laughter won't be as loud. My life will never be the same without you. You were such a great brother, father, son and soon to be husband. I love you so much and will miss you deeply.

“ My favorite memory was Heath and I in the back seat of the car, laughing and cutting up while his Aunt Yvette and his Mama Lauren were in the front navigating thru all the Black Friday traffic. Heath watching you become a father, caring and loving with your girls was so sweet. The fun loving young man turned into a awesome teacher and happy family man! You will be missed by many, but what a bright presence you were in so many lives. Family I love you and my prayers daily include all of you. ❤️

“ *Heath was a student of mine at Henry County High School way back in 2003. He was such a wonderful person, and I will always remember his charm. I recall being very proud of him when I learned that he was an English Teacher -- What a bright star. I will keep your family in my thoughts. Much love, Scott Honeycutt*

“ *Heath you were everything I could have ever hoped for in a cousin. You were funny, caring, SWEET and had this way of making people feel so important . You came into this world and in such a short time made such an impact on so many people. It's hard to pick just one favorite memory bc everytime we got to hang out with yall was our favorite. Im so thankful our parents kept us all so close. I wish I had many more days ahead to prove just how special you really were to me. There will never be a day that goes by from here out that I won't think of you and wish for just one more day.* ”

“ From the day Heath became a part of our lives he has brought so much joy into it. He always followed after his dreams and made his family proud. No words to say to cover the hole that has been left in our family. Jesus is our comforter and has already overcome the trails of this world. He will never leave us or forsake us and I know he will get us through this. Our love and prayes.

“ May God hold you all extra close through this time of sorrow. Hold tight to your memories as they are what will help you smile again. There are really no words of comfort or any magical phrase to ease the pain of his passing. You will find peace in the eyes and laughter of his children and in the love within your hearts. ** Matthew 5:4 **

I was the attendance secretary at Henry County Middle during Heath's 7th and 8th grade years, my daughter also graduated with Heath. He was an awesome guy then and now. My heart goes out to you all and you'll never know the impact a group of kids can have on your life, like this group touched mine. Your family will be in our prayers for the days ahead and to come.
