Unos de nuestros himnos favorito de nuestro hermano Héctor Morell decía no te puedo mirar ni te puedo tocar porque no a llegado el momento, hoy aunque estamos su memoria podemos decir que las palabras de ese himno se a hecho una realidad porque hoy no sola mente lo puede mirar pero también lo puede tocar. Lo extrañaremos pero un día lo veremos.

“ Pastor Allan and I are so sorry for your great loss! Hector was never without a smile or a laugh on that handsome face! We love your entire family so much and weep with you over the emptiness that is left behind. We are so grateful, however, for his legacy of faith which shows in the dedication and commitment of his children and extended family! Praying that the happy memories can bring a smile to your face and joy to your hearts! May the Holy Spirit bring peace beyond your wildest expectations!

Much love,
