“ Dear Von and Darla, My thoughts and prayers are with you today and will be in the coming weeks and months. Your mom was a very special lady - we spent many hours talking about you guys and life in general. I cannot erase the memory of the HOURS she and my mom (Agnes) spent "fixin the world". You will have a major void in your life forever but just know that she will be with you every step of the way. Love to you both of you and your whole family.

“ Von and Darla, I well know how hard this is for you but I will never forget your mother at your father's funeral. I truly believe she would have gone with him then. She is in a much happier place now so you have to be happy for her. Take care and stay close to each other. I don't think I will be able to make the funeral but know that I am there in spirit.

“ Von, Darla and Family, You know how sad we are about Boyce. It's especially hard because now both your parents are gone. Now you will draw on that strong sense of family and help each other through, all the time savoring your memories. My love to all of you. See you on Tuesday. Becky
