“ My deepest sympathy to ALL of the family. My heart is broken at the thought of losing my lifetime friend and "cuz" My memories go from our childhood and growing up years; to when Hope moved back to IL and then to GA. Our recent years of travel fun will always be cherished. I am so sorry I cannot make the service in Mattoon as I am stuck in Denver and cannot get back in time. My thoughts and prayers are with you. God gave us this wonderful daughter, wife, mom, grandmother, great grandmother, friend, and family member, and MY Cousin and I am forever grateful. Love, CUZ Alice

“ My heartfelt sympathies go out to your whole family. Hope was a grand lady, and we liked to count her among our family, too. She took care of my mom after her surgery for a 2nd round of colon cancer, and always came by to see my mom at Brookstone when she was in town. She brought our whole family in to the Relay for Life event in Mattoon where our team name became "Hiking with Hope." She will be dearly missed for her kindness, her stalwart education to friends and family, and the stories she told with such animation. I'll never forget that just shy of 70, she hiked the 23 miles around Lake Geneva while on a vacation with us. She could walk us all into the ground at Relay. What an inspiration. Pictures of Hope will always be part of my family photo album. Hope and your family will continue to be in my prayers. My life is richer for having known her.
