I first met Howard when I was 13 years old. Not only did he teach me Karate, He taught me a lot about life. I have so many memories of him, that I could not possible speak of them all. His brother David was also a very influential person in my life Together we spent many hours of prayers and exercising and learning about life and our saviour. Howard's presence here on earth will be missed.

“ I met Howard in several christian settings and the Thursday morning . He spoke life in very one that he met. He was a light to the masses. We are prayer warriors together in our group at One Community Church in Newman, Georgia.. Howard was a son of Thunder for Jesus Christ. It was a honor to have known him in Prayer.
You will always live in our spirits, Howard. MOM YOU RAISED A BEAUTIFUL SON!

Hay y'all , this is lil john-john Howard trained me in karate many years ago , I loved him last like a dad maybe his brother David will remember me I was the 12 year old kid that he had to move into the adult class because the kids said I always hit them to hard , I'm kin to David Richardson I've looked for Howard for years to see how he was doing , my heart is broke when my wife found this , and even though it's been so long my heart goes out to you all and Howard will always be in my heart and the one man who because of him changed my life and probably the only reason I'm alive today

“ Howard and I shared many hours praying together, both just the two of us and in prayer meetings. Howard had such a heart for the lost, and for helping people to understand their destiny in Jesus Christ. We will miss him, but heaven is richer with his presence.

“Howard was my good friend and brother in the Lord. He talked about Jesus all the time and I know his heart was full of love and compassion for others. He ministered to and encouraged everyone—friends and strangers. I miss him! but we are blessed to know he is certainly with the Lord in glory!!! And we will see him again. Love always, Kyra
