“ Howard was a great guy for a customer like us to work with and to get to know. Always very responsive and helpful. On top of that we had many great and fun conversations about college football even though I am from Ohio and an Ohio State fan we always had fun talking about our teams in a good natured way. A truly good man. Our condolences from Reddy Equipment to his family. He will be missed.

*Sincerely,*

“ Howard Magness what a great example of professional courtesy and just a pleasure to work with. I have had the honor of working with Howard for 26 plus years. He was always helpful, kind and the same person every time you spoke to him. I will miss him greatly and Wastequip will never be able to replace this wonderful employee and even greater person. May God bless your family during this time and comfort you in knowing the lives he effected in a positive manner. He will be missed. Blessings.

“ Howard was such a sweet, patient, and kind man. He welcomed me into Wastequip almost 20 years ago with such a kindness and always encouraged me to learn more. He was my "MR MIYAGI" for compactors. He always made himself available for my questions and there was never a question too bizarre that he wouldn't encourage the thought process. I will truly miss him personally and professionally. Prayers to his family for comfort and peace in these coming days and weeks.

Sincerely
