“ I worked with Jack for a year and he was always friendly and helpful. He used to talk about his family and how much they meant to him. He also loved his chance to play golf. He will be missed.

“ Dear Bette and family, I feel so blessed to have know Jack for the past 15 years! He was a great friend and we had lots of laughs together. But the main thing I will always remember about him was the love he had for his family!! He talked about ya'll all the time and he adored the grandchildren. “ For a little over four years I saw Mr. Epps three to four times a week whenever he came in to the pro shop at the Country Club. I will miss his smile and "Hey Darlin'" greeting. He was always quick to share the latest story about his grandchildren, and his pride and love for them showed. And I'll never forget how every time he bought a new golf shirt he'd tell me that once he got it home Bette was sure to tell him he didn't need another one. My love and prayers to his family, friends and all who knew him. Bree
