“ Dearest Hope and Family
We are sending our condolences for the loss of your Daddy. I pray for your strength to hold up and hold on and know that He is in God's hands now, he will always be near to you in spirit. I believe you will see signs that will prove to you that he is okay and close by. We will be Resurrected again some day where we can all live together. But there will be no crying no pain. God called him home because he only takes the bests earlier. Hubert Combs just arrived first. My heart hurts for your loss, of His Physical presence but he is with you now and always as is the Lord our Savior.
