“*Marsha and Dana, I am so sorry to hear about Aunt Iris. There are no words that can fill the empty space in your heart where she has been. When you get sad thinking about her, remember the good times you all had and the precious memories of her and your dad. She was such a sweet lady and always so caring of others. She has a smile for everyone and treated all the same. I loved it when she was around because she made things funny and I loved to hear her laugh. I have some good memories of when they came to our house and of the time I spent at your house that summer. Had a wonderful time with all of you. She will be missed by friends as well as family. God bless you all during this time of sorrow. Love you all. Nora Lee*
