“ I am so sorry for your loss. I only met Miss Emily. She and my Mother, Lillie Robinson Bailey were best friends growing up and kept in touch all the years. When Mother could no longer drive, i would take her to visit Emily. It was such an enjoyable time. They would laugh and talk of the good times they had. From the first time i met her, i felt welcomed and felt as if i had known her my whole life. As Mother's dementia progressed, i would call her to let her know how mother was because she always would ask me to. She was a special lady. I lost my mother in December. I hope they are laughing in heaven. My prayers are with you.
