“ On behalf of my and Stuart's families, I would like to express our appreciation to all who left these wonderful condolences for our Mom, Isabel... "Miss Izzy." Her final days were spent in her own home, filled with joy and laughter and surrounded by people who loved her. I know how much she would appreciate each of these warm comments.

“ Miss Izzy and I worked together for several years at Playtex. She also signed me up and years later signed my oldest daughter up to sell Avon. She was the best rep Avon had in my book. She was always a joy to be around. She was very dear to my heart. All of you are in my thoughts and prayers. God Bless You. Susan Gaddy

“ I was an Avon customer of Miss Izzy's for several years before she had to give up the job. I still have a drawer full of Avon products that I didn't really need, but I bought them just to keep her coming to see me. She was delightful.

“ Even though we had not seen each other in quite awhile, Aunt Isabel was "always there" and there when I/we- Dot and Felix wanted to talk to Camp family. I have so many good memories of her and you, Joe. She was a wonderful lady and last of some very hearty and character molding Camp souls. Those of us who are left have very big shoes and souls to fill. You and your families are in my heart and prayers. I am so sorry I cannot be there. Tesa Camp Jektvik and Asbjorn Jektvik

“ Isabel was my aunt but actually she was more like my big sister since I spent a number of my early years growing up in the same home with her. We have always been close and her passing hurts me deeply. I send my deepest sympathy and condolences to her immediate family. I will miss her terribly. Bobbie Tarpley Fallin

“ Miss Izzy was a real sweet lady. During my mother's illness she always checked on mother up until her death. Miss Izzy was a good lady, always had a kind word and a smile on her face. I know she will be missed very much. Please accept my sincere condolences.

“ I have known Miss Izzy since I was a little girl. She started out just being "the Avon lady" and through the years became much more than that. She was like a second mom to my mom, Patricia Thompson. I always loved hearing her stories from when she was younger. She had some amazing adventures. Miss Izzy was such a wonderful woman, and I will miss seeing her smiling face. I know all her brothers and sisters are welcoming her home.

“ Miss Izzy was always such a sweet lady. I work at the hospital, and when we were still on Jackson St, she would always bring us Avon books by to look at. I saw her Sunday night at the hospital. I asked her if she remembered Connie Jo. She smiled and said that she did. Connie Jo always bought Avon from her. Your Mom was so nice, and I know you will all miss her. It was nice to see her sweet smile again. Heaven really has a true angel now.
