“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Sifrol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor's knowledge) and started him on PD-5 natural herbal formula we ordered from AKNNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinson's disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit [w w w.aknniherbscentre .com](http://www.aknniherbscentre.com))

“ I’ve been living with Parkinson’s disease for quite some time, and for years, I struggled to find lasting relief. While medications offered some temporary help, the symptoms always returned and often worsened. Out of a mix of hope and hesitation, I decided to try an herbal treatment program from NaturePath Herbal Clinic. I’ll admit, I was skeptical at first. But around the fourth month, I began to notice real, steady progress. My tremors became less frequent the stiffness in my body eased My balance and coordination gradually improved It wasn’t an overnight transformation, but it was consistent and life changing. For the first time in years, I feel more in control of my body. I can move with greater freedom, sleep more peacefully, and enjoy daily activities without the constant discomfort I once accepted as normal. The improvement I’ve experienced physically, emotionally, and mentally has been nothing short of upliftings. If you’re exploring natural options for managing Parkinson’s, I wholeheartedly recommend looking into NaturePath Herbal Clinic. Their approach has made a real difference in my life, and I’m truly grateful I gave it a chance. www.naturepathherbalclinic.com info@naturepathherbalclinic.com

“ We are so sorry to hear about the passing of Jack, our family's favorite dentist. He was always a pleasure to be around. We still talk about how easy Jack was when working on our teeth. There will never be another one like him. We missed him so much when he retired. May God continue to comfort and give you love and peace in the days and months ahead, and may your happy memories of him sustain you.

“ I am so sorry to hear about the passing of Dr. Reeves...he was my dentist for many years and I truly enjoyed going to see him. Such a cheerful person and I never had to use novacaine. He was such a good dentist and I was very depressed when he retired!! My dentist visits are just not the same. He lived a full life and was truly a gift. My sympathies are with you all. May God bless.

“ Miss Suzy, Please know that you and Robin will be in my thoughts and prayers. Dr. Jack has been a special part of my life since I can remember. He was daddy's best friend and my "other daddy" for 40+ years. My memories are wonderful! He and Daddy always had a project going. I have missed him stopping by to see daddy since he passed almost 6 years ago, but have kept up with you all through momma and Uncle George. I can only imagine the reunion they have had this past week! We are thankful to have gotten to know you through Dr. Jack. Thanks for loving him and taking such good care of him! May God comfort you during this time. Love, Sherry McGuffey

“ I am saddened to hear of Jack's passing. He was a great teacher and inspiration during my young years. My adventures with him as a young man were varied and exciting. Many of the things he taught me were beneficial to me as I grew older. I left Coweta County years ago but often thought of him. This world is a little lesser place without him.

“ We will miss Dr. Jack so very much. He was a fixture at Arnall Grocery Company for so many years. Everyone always looked forward to seeing Dr. Jack come in the door. Dr. Jack was Jimmy's dentist for such a long time and then when I came to work with Jimmy at Arnall Grocery, Dr. Jack gave me a \$2.00 bill as a tip. That \$2 bill is lying on my desk with Dr. Jack's name written on it and it will stay right there. Dr. Jack will be remembered as a wonderful friend. Please accept our heartfelt sympathy.
