

## Jackie Roberts Murphy

June 24, 1948 - November 12, 2023

Jacqueline Roberts Murphy, age 75, passed away peacefully in the late evening hours on Sunday, November 12, 2023, at Piedmont Atlanta Hospital. Jackie was born on June 24, 1948, the daughter of the late Agnes Lucille Roberts.

Jackie, also known as "Mimi" to friends and family, was strong in her faith and a longtime member of Providence Baptist Church. She loved spending time with her family and more importantly, her grandchildren, who would all say that they were Mimi's favorite. Jackie enjoyed baking, spending time working in her yard, and being the Boss of the family! She will be dearly missed by all who knew her.

Along with her mother, Jackie is preceded in death by her husband, Danny L. Murphy. She is survived by her daughters, Sheri Duncan and her husband Parrish, and Allison Robinson and her husband Paul. She is also survived by her grandchildren whom she absolutely adored, Trevor Robinson (Hailey), Olivia Robinson Allison Grace, Hannah Duncan, and one great-grandbaby on the way. Jackie also leaves behind her beloved dog Sophie.

A private family service was held. Condolences may be expressed to the family online at [www.mckoon.com](http://www.mckoon.com).

“ I'm so sorry to hear about Jackie. I worked with her for around 20 years and always enjoyed it. She didn't pull any punches but at the same time could be so darn funny. I remember picking grapes one day at her house while she was trying to control her "puppy" Sophie. It was definitely a comedy. She said that was nothing compared to trying to brush Sophie's teeth at night. I know all of you will miss her terribly but I'm sure you have so many wonderful memories.

“ I grew up living next to the Murpheys until about the age of ten. I played with their daughters most likely every day. I don't remember much as a child however I was most excited when Jackie and Danny sold the coolest car they owned to my folks. It was a white Buick Regal and to me it might as well have been the greatest car ever. They were a strong beautiful family in my eyes. Much love to all of you.....both Jackie and my mother were called Mimi. Lovely....

“ We met 42 years ago at Yokogawa. You were one of the first ones to introduce yourself to me and "show me the ropes." We were in our thirties. Wow ! So, so many memories. I remember when you first told me you were going to be a grandma Mimi. Your excitement was infectious. I left in 2000, but was glad that we remained friends through the years. Yes, there were some sad times as well but remained strong. When our moms died we were there for each other as well as when my husband passed in 92.

You will be missed "Murph". The world was such a better place with you in it. But also, you are again with the love of your life Danny. What a union that had to be.

My prayers go out to Sherri and Allison, their families and all the grand children. They have lost one of a kind. God Bless.

“ *Jackie and Danny were dear friends to randy and I. I enjoyed being with them. After Danny died, Jackie was not happy. I tried to comfort her but I had not experienced my spouse death yet. It is different after losing a spouse.  
We would get together some and have dinner and shop.  
I will miss her but I know she is happy now!  
Prayers for the family .*

*I am so sorry. Jackie and I worked for Yokogawa from almost the very first time they came to Newnan and for many years afterward. She found me a dog after our pups died (after 20 years). Then she made sure I got the dog at the Ga National Air Ground in Perry. She was a wonderful friend. I will miss her so much.*
