“ *Daddy and Mommy, please don't cry. I'm in heaven now, so dry your eyes. God is keeping me safe and warm.*

*We don't know for sure why this happened to me,
but in your heart, mind and soul I will always be.*

*Even though I passed away so young,
I'm still living mommy, and still so strong.
You made me the little baby I am today,
now let God take over he has his ways.*

*I'm an Angel now watching over you,
So please don't hurt or cry, I will feel it too.*

*Oh I wanted to let you know I have received my wings,
so when we see each other again,
I will teach you how to use these things.*

*I want you to laugh, and I will too,
I know it's so hard and you can't feel my touch,
but just remember I LOVE YOU THIS MUCH.*
