“ *Bruce and I will miss Jacob so much as we had become very good friends and neighbors. We always enjoyed seeing him and his precious wife, Vivian, at church or around town, or even at their home. We feel privileged to have spent his last days on this earth with him, taking him to the doctors and spending time with him at the hospital. He was a wonderful man, and even our great granddaughter, Fidelity , considered him one of her dearest friends. She is deeply saddened by his loss and is looking forward to remaining friends with his dear wife.*

All our love, thoughts and prayers goes out to you Vivian in this time of sorrow.
