

Jacqueline Payne Phillips

February 18, 1935 - January 21, 2026

Jacqueline "Jackie" Payne Phillips, age 90, passed away in her home on January 21st, 2026 surrounded by love.

She was born on February 18th, 1935 in Anniston, AL to the late JP and Myrtle Payne.

She is preceded in death by her husband of 65 years, Charles Phillips, daughter Deborah Phillips, grandson Cody Phillips and brother Kenneth Payne.

Jackie's family was her whole world. She had a way of listening and being present that made people feel understood and a way of speaking that stayed with you long after the conversation ended.

Some of the most cherished memories were made sitting together at her kitchen table-family gathered, sharing stories about life, love, and everything in between. Those moments weren't about the place itself, but about being together, feeling connected, and learning from her wisdom and warmth.

She showed her love through presence, consistency, and care. Her family was her greatest joy, and the lessons she shared will continue to guide those she leaves behind.

Jackie leaves behind her loving family, daughter Donna Woodie, son Steven (Resa) Phillips, close family friend Robin McAllister; grandchildren Richard (Ike) Wright, Jamie (Jimmy) Branson, Donna (Josh S.) Wilson, Cori (Justin) Portell, Cristie (Jason) Phillips, Michael (Jessica) Hill, Jesse Barrett, Jodi (John) Wilson, Toni (Zakk) Buchanan, Jake Parks; great grandchildren Miles Peavy, Will Branson, Graysen Branson, Noah Wilson-Sizemore, JD (Olivia) Wilson, Brooke Portell, Lily Portell, Savannah (Dalton) Mobley, Ely Spradlin, Cole Spradlin, Wilder Jaqueline Hill, Bailey (Alex) Works, Laney Hill, Dayton (Mike) Hill, Jase Hill, Jax Hill, Xander Barrett and Elijah Buchanan; great great grandchildren; Slayton Works, Kade Cote and baby boy Wilson due May, 2026.

Jackie will be deeply missed and lovingly remembered, her memory living on in the conversations, laughter, and love she helped create.

“ What can I say no one's life will be the same; a light has dimmed in our lives. Mrs, Jackie was the definition of class, compassion and the love of Family. Mrs. Jackie love of her Family was the most important to her I think, she was always there for all of her Family. Laughter was a big part of her life and her humor was like no other including her mischievous side. Mr. Jackie's smile could always fill a room. Mrs. Jackie will always be in our heart forever. Mrs.Jackie will live forever in all her Family. Rest in peace my Friend.Robin

“ I can't fathom life going on without you. Sharing all of our accomplishments. Talking at the kitchen table about the hobbies the girls were in and reminiscing on the incredible years past. Sitting and bonding over our shared enjoyment of learning our ancestry. Your impact on all of our lives is insurmountable. I only hope that one day I can have my children, grandchildren and great grandchildren sitting with me at my kitchen table and know that I am loved as much as I know we all loved and adore you. I'll miss you until my last breath. I can't wait to hug you again. I love you so much grandmama.

“ Grandmama had the most calming spirit. I was lucky to have her in my life since I was around 11 years old. She had a heart of gold and feel thankful for the time I had with her. Will miss coming to town and sitting at the kitchen table. You will be so missed! We love you!
