“ I remember my aunts birthday being May 7, 1960. Her older sister was the one born in August 1958 & her oldest sister April 14, 1953. She was 12 years old when she had her daughter, Stephanie 6 weeks later she turned 13 years old. I do not know how my aunts gained 2 years to their age? My mother was 7 when Jacqueline Gale Keen entered this world in Orlando, Florida. Her & her mother where transported to a hospital in Gainesville, Florida. It's sad true facts couldn't be stated such as birth place and the correct year! 1960 not 1958 come on now get for real my family!

“ We are very sad to hear of Ms. Jackie’s passing. We will pray for the family’s healing and peace of mind. Ms. Jackie was such a beautiful spirit, now gone but not forgotten. My daughter has known her since 1st grade and is now 18 and couldn’t believe this when she heard the sad news. Ms. Jackie would always send birthday cards to my daughter over the Christmas break (even just this last Christmas). Rest in Heaven.

“ *Saddened to hear of Mrs Jackie's passing. She was wonderful to both of my children and she will be missed. It's not often that a bus driver leaves birthday and Christmas cards for the families or will call to check on them when they miss a day or two. She was a treasure and will be missed greatly. Thoughts and prayers to her family.*

“ *My sister and I rode Mrs. Jackie's bus for a year or two when we were younger. We were usually her last stop of the day and she'd instruct us to "Roll the windows up!" before we got off the bus. She always made sure that we were doing well and asked about our day before we got off of that bus. When her route changed again from ours, we stopped riding the bus because of the stark contrast. Mrs. Jackie lived down the road from us a short distance, and to this day she would always smile and wave when she passed my family by the road. Myself and my family will greatly miss her.*
