“ I was saddened to hear of Dr. Bryant's passing. I can recall all the good things I knew about the doctor. He truly enjoyed life. He definitely made a huge difference in his time here on earth.. I worked with him as a radiologic technologist for many years. He was always a pleasure to just be around. Our loss is heaven's gain. Our prayers go out to his wife and childfren.

“ I would like to offer my condolences to the Bryant family and also share a comforting promise from the Bible. At Revelation 21:4 where Jehovah God will wipe every tear from our eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.

“ I remember spending the night at your home and spending many days fishing in your pond through out my child hood with your grandson Michael E. Jackson. He was my best friend growing up and I know how much of an influence you had on him as well as everyone especially when it came to loving the Georgia bull dogs! You will be deeply missed and thank you for your service to the country and to the service of your patience that you provided for so many years. God bless. Matthew , Emely, And Breyden Gulick

“ Jim and I knew each other in our younger days. I was an athletic coach at the Newnan High School as Jim was starting his medical practice during the decade of the fifties. He was almost a team doctor, as he would lend an ear to our medical needs. I have been removed from Newnan since 1960. May I express my sincere sorrow at his passing, and please may I share your sorrow in his loss to you. I always appreciated his interest in our secondary schools athletic programs. I taught mathematics and was always vitally interested in each youngster being the true "student athlete." Jim always shared this interest in the academic side of the high school experience. He pursued an avid interest in the Georgia Bulldogs football program, but never forgot the academic finish line. May God offer to you His graces of strength here on earth while Jim's soul now resides with Him in heaven forever.
