WB

“ There are no words to describe what Jeff's friendship was to me, we had started out in the U. S. Navy together at our first duty station, N.S.G.A. Northwest, in 1983. Forever I shall be grateful for Jeff's kindness and love, he was truly one of a kind! "For all the remaining seasons of my life on earth, There'll be days I'll miss your merriment and mirth, And sometimes I'll sadly long for all the yesterdays; Missing our chats and your gentle understanding ways. Yet, the lessons of kindness and love you taught me, And the good things in life you've helped me to see; Linger as lasting gifts that comfort and will sustain, Until I journey to that peaceful shore and see you again."

“ Knew Jeff since 1989 when we served together on the USS Chancellorsville. He was a good friend and always tried to help those in need. He will be greatly missed. RIP
