“ *Estes Family, What more can I say about Jim that has not been said about him here. I had the chance of working with Jim at Chromalloy a few years back and he was a joy to sit down and talk with a very gentle fellow he seemed to light the room up with his presence. He will always be in our memory and we will all see him soon. God Bless you all, Tony and Beverly Lenning*

“ *What can one say about Jim that can even attempt to put into words what a GREAT MAN he was. Never have I met a man so dedicated to his family as he. Never have I met a man that was such a gentle soul. His crown is full of stars and he made the earth a better place to be in. Always a helping hand and never a bad word about anyone. Jim will be missed by me more than I can express. He was "ONE OF A KIND". I can only say that I pray more people can learn to be like him. May he always be remembered as a SOFT WALKING MAN FILLED WITH GENTLE ACTIONS. His Mother had so much to be proud of just having him as a SON. Love and miss you Jim. Harriet*

“ I will truly miss Jim, He was a great man. I will always remember our talks at work about his family and mine. He truly loved his family. His mother was his world, he truly loved her. I know he is in a better place, but he will be missed at work, the furnace area will not be same since we can't see him anymore. He will always have a place in my heart. GOD bless the whole family at this awful time. My prayers are with you all.

“ Jim was one of the nicest men I have ever worked with. His love of his Mother, his siblings and their children will always provide beautiful memories to help them through this terrible loss. Just thinking about his "Bye-Bye" wave and smile is something I hope I remember forever. His many, many friends here at Chromalloy will miss him even though we know he is in a better place. Our love and prayers to his family. Kathy Jenkins
