This little life was so precious and always brought on a smile, from all his 400 cousin girlfriends, as the older ones grew older he always opted for the youngest of them, he had the most infectious smile of anyone I ever knew, from the love of dancing, to the boy scout troop he was in, a plug for Mak hear: a scout leader for these special boys that Ed never forget to the sweet I little fellow that everyone loved "messing" w/him. This little fellow leaves a legacy behind that all knew him will never ever forget, love tha cousin Eddie Moe! RIP little buddy! Connie

Bobby and I want to express our condolences on Ed's passing. We knew him for years when he was a client at the Rutledge Center where he contributed to so many activities such a Special Olympics and the choir. Our thoughts are with the family at this difficult time. His parents were always very supportive of him and the Rutledge Center.
