“ I met Ronnie and his family at church and then we were neighbors for a short time. He loved the Lord and his family. We had the love of horses in common as well. He was such a kind person and would do anything to help you. I know he is in the presence of Jesus.

“ I had the pleasure of working with Mr Lanier at the Coweta County Magistrate Office. He was always a professional and hard working partner. He and I talked a lot about his family and life. I was saddened to hear of his passing. May he rest in peace.

I loved going to church with him, working with him and vista's with him & Sandy. I will never forget this sweet man who shared my birthday. Love and Prayers to all.

Sandy and family, Ronnie was one of a kind, a character unto himself. We met 40 plus years ago when Joe and I built across the street from you. He was always the first person to lend a hand and we usually didn't have to ask. Y'all were the sweetest couple I have ever known and I am so thankful that Brad and his family was able to be your neighbors for the last few years. Please know that you are and have been loved by the NOLEN family for a long time. Ronnie will be missed but I am certain we will all see each other again. I hope he's riding his horse as we speak. Much love to the whole family. Prayers for the difficult days ahead.
