“ I am so sorry I was unable to attend James' graveside service. I occasionally would bring a meal over to James and June. He was always very grateful, but even more grateful when I would pray with them before leaving. I imagine he is having a grand time in the presence of his heavenly father! He will be greatly missed!

“ I have wonderful childhood memories of Big Daddy James Payton. He was such a gentle giant and a great Christian gentleman. He was such a great example for all of us to follow. I love you and will miss you, Big Daddy. I know Donald and all the kids will miss you greatly!

“ I remember when he had the shoe repair shop as he repaired many pair of shoes for me in the seventies and eighties. I did not know much about him but I could tell he was a good Christian man. I remember him for his mild manner and kind words.

I remember one Sunday in church, at the First Assembly of God, the preacher's sermon effected me to the point I was crying a few pews back from where Big Daddy and Ms. June were sitting. Big Daddy heard me, got up from his seat, came back to where I was sitting and took my hand, leadng me to the alter. I was very shy and it really embarrassed me. I even got a little miffed. However, as I got older and looked back on that day, I began to realize that he was doing what his heart and the Lord led him to do. He was helping me to do what I couldn't make myself do. I wanted to go to the alter, but something held me back and I couldn't go. He somehow knew, even though I didn't at the time, what I needed to do... He and Ms. June were pillars of the church. They were also great mentors to many. Big Daddy, I know your family is gonna miss you so very much, but I also know that they know they will see you again, and that you wouldn't want to be anywhere else right now, other than home with our heavenly father...Rest in peace. You were a good man, and you will not be forgotten, ever...💖

“ Big Daddy as he was affectionately known to many of the young people in James's life as he was known to me. He was such a role model with his generosity to me and my family and always stayed at the center of my life for the rest of my life. I paid special tribute to James in a video for the company I worked for. I brought the video to Big Daddy and Sister June at their home and he was greatly moved ! You will be greatly missed and fondly remembered by those of us left behind ! Congratulations on a well deserved st of wings Big Daddy! I love you !
