“ Perez was one of the few guys at the station who ALWAYS had a smile on his face. He relieved me in the mornings(so I saw him all the time), and even when he was sick and he was come up to the station, he would always be smiling, saying how he is ready to come back to work. Jimmy will be missed and was a true example on how to smile through adversary and trying times. He always gave me up dates on his condition with a smile on his face even though he didn't know what the outcome was gonna be. Jimmy exemplified how to fight through tough times and how to look at a bad situation, smile and keep on fighting. The Perez family has my deepest condolences and are in my prayers

“ *I had the honor of being Jimmy's stepsister, and will never forget one moment of it. Jimmy could light up the room with his big bright smile and make anyone laugh with that goofy personality of his. Family events and holidays will never be the same without you, my baby brother. I look forward to the day we can see each other again. Until then, I'll be cheering on your Georgia Bulldogs and shooting shots of fireball for you!*
