

James "Jim" Arthur Pierce

April 23, 1974 - December 29, 2015

James Arthur Pierce was born April 23rd, 1974 in Fort Lauderdale, Florida to Douglas Patrick Pierce, Sr. and Karen Sturm Pierce. He grew up in Marietta, Georgia and lived in the Atlanta area for the majority of his life. He was married to Amber Leah Pierce in 2012 and they settled in Newnan, Georgia. Jim and Amber quickly created a large community of many dear friends in Newnan. In May of 2015 they welcomed their beautiful son Mason into the world. Jim couldn't have been happier to be a father or more proud of his son. Jim worked in the automotive industry for over 20 years and found his home at Southtowne Motors. He was loved by his customers and highly respected by his co-workers. In his community, Jim was an amazing friend who had a unique ability to see the good in everyone and bring all types of people together. Anyone who knew Jim would say they were a better person for it. Also, Jim had a talent for storytelling that was beyond compare. Those that remember hearing one of Jim's stories undoubtedly remember laughing as hard as they ever have during the telling of that story.

Above all, Jim was a dedicated family man. His love for Amber, Mason, his parents, his brother and sisters, cousins, aunts and uncles, grandparents, and anyone else he considered family was obvious and amazing. He will be deeply missed.

Condolences can be expressed online at www.mckoon.com

Jim is survived by his wife Amber, his son Mason, and his parents Doug and Karen. He is also survived by his brother Doug and his sisters Jan and Carrie.

In addition, Jim leaves behind a vast number of aunts, uncles, cousins, and people who he made to feel like family even if they weren't related to him by blood.

A memorial service will be held at 4pm on Saturday January 2nd at Southcrest Church, 365 International Park, Unit 100, Newnan, Georgia 30265. In lieu of flowers, donations can be made in Jim's memorial at gofundme.com. Search for "Jim Pierce" to be directed to the contributions page.

“ Not only was Jim a classmate and friend but was a coworker at Chic Fil A with me. I remember when I first started and in training he came in and said when you are done with those videos come upstairs and I will show you how it is really done! Always willing to help and make you laugh at the same time! Prayers are with you Amber and Mason!

“ I never met Jim, but was thrilled that Amber had found her soulmate. My heart breaks for Amber and Mason - too little time! Jim seemed to bring a smile to everyone he met and sure loved Amber and Mason. Seeing the pictures of him and Mason always make me smile - he was so devoted to his family! Love and prayers to all of you that loved him.

“ We are so saddened by Jim's passing. The world lost a great husband, father, son and brother much too soon. We are deeply sorry for your loss and will be thinking of you all tomorrow and continue to pray for peace and comfort.

“ *Jim was always the kind of person that would smile and make someone feel that they're not alone. He was a gentleman even from kindergarten through our high school years. The funniest and sweetest person you could ever meet. We will certainly be missing an amazing man here on earth. I am thinking of the family has left behind. Sending healing thoughts knowing that he loves his family and friends more than anybody could possibly know.*

“ *Jim Pierce was an exceptional man whom I met in 2003 and saw regularly through the years. I became good friends with Jim and we shared the utmost respect for one another. He spoke and talked about his beautiful new family often and just showed me the latest pics this past month. My family and I will miss him dearly and although I never met his family I am at their service anytime anywhere. I work overseas but I will be there if called to service. My wife Lindsay as well. We will hold Jim in our daily prayers as well as his family . If anything is needed please don't hesitate to call John or Lindsay at 6787728133. God bless Jim and his family. Your forever friend*

“ I didn't know Jim well but the times we got together we're always good times! He taught me the right way to eat chicken wings & cupcakes. The love he had for Amber & Mason radiated from the inside out & you couldn't help but smile when you saw or even thought about that cute little family. Even though Jim is no longer with us, I know his memory will definitely live on. Heaven sure did gain an awesome angel!

“ There are so many memories I have of you love. It's hard to choose but I will cherish them all. I love the way you looked at me with your heart full of love. I love the way that you were full of happiness all the time. I love how you were by my side for every step of bringing our son into this world. I love how you lit up our life. There are no words to express the loss I feel right now. You and Mason are my world. I will love you forever.
