“ Aunt Joyce, I shared this memory with Steve, Natalievette and Luis the last time they were up here.

*When Robin and I were in our early teens, we came to visit and we all went to an Atlanta Falcons game. I am not sure why but Uncle Roger got stuck with me and Robin in the backseat. At least we started out in the backseat... wended up hiding in the floor so we couldn't see where we were going. We kept peeking out to see how fast we were going.*

*I think he had a turbo boost put in on every car he ever owned. He loved driving fast!*

*Also, Uncle Roger had a great laugh. A wonderful contagious laugh. He was always so much fun to be around. I LOVED coming to visit you guys.*

*I know your hearts are breaking. I pray the Lord gives you the strength you need, as only he can. He is suffering no more, but instead, rejoicing in his Savior! I love you all!*
