“ I was so sorry to hear about the passing of Uncle Pete. Our family did not know that he had passed. He was my favorite uncle. I used to spend a lot of time with he and Aunt Joyce when I was a child. I know how much he loved his two girls and how he adored his wife. I know there were some problems after Aunt Joyce died and I regret that we did not stay in touch. I hope Karen and Denise know how much we all loved him. He was a kind and gentle man. Please accept my sincerist condolences. Love to all.

“ So sorry about Uncle Pete. We did not realize that he had been so ill. We saw him in Porterdale a few years back and also at Leonard's funeral. He seemed to be doing well then. Please accept our condolences, Karen and Denise. He will be missed.

“ I was so sad to hear about Pete. He was a sweet, gentle man, and my family loved him. We all have so many great memories of him throughout the years--taking my kids to and from school, being at our parties, and telling so many fascinating WWII stories! He will be missed. You are in our prayers. We love you. Judy and Dana
