“ Our family is suffering tremendously at the loss of Darry Jr. We were a very close family and even as life took many of us in different directions we are still bound by blood and love. Darry was more than a cousin he was my little brother and we grew up thick as thieves.

With that said we wanted to add that Darry was also preceded in death by his grandparents who loved him dearly and were a huge part of his life. Preceded in death were his paternal grandfather the Rev. James Roscoe Walker, his paternal grandmother Mrs. Izora Roberta Walker, his maternal grandfather Mr. Carl J. Hewell and his maternal grandmother Mrs. Gladys C. Hewell. Darry Jr. deeply loved and cared for his grandparents as they were such a huge influence in his life.

Darry Jr. was such a character and all those who knew him can attest that he always kept us entertained. He was lighthearted and dearly loved by his family and friends. My fondest memories was seeing him grow into a man, holding his baby girls Tabba and Tiff and him sitting with me all night holding my hand while we sat outside our grandfathers hospital room as he took his last breath.

Darry, we love you and we will always have those cherished memories. Rest now....

Dorothy Zwayyed (Dotty) - September 06, 2020 at 08:30 AM

So many memories coursing through my mind about "little" Darry. Most of our family have gone on to be with the Lord, including Teddy Leo Walker and Roberta Dean Walker. Darry Jr. was indeed close to them as well.

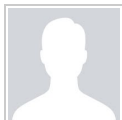

Darry Jr. was the only boy in our family for many years. The original 5 were thick as thieves! When one got in trouble we all did! When Daniel was born I don't know who was the bigger kid Darry or Daniel. They had a special bond being the only boys in the family. All the girls had a time keeping up! Dotty, Tina and myself grew up together as brothers and sisters to Darry Jr and Renee instead of just cousins.

Our family was built on a Godly foundation to which we have not departed. Choices we made took our lives in many directions but family is always family. Darry you were taken from us too soon! We have the assurance we will see you again! Take your rest now my brother!

He had 3 daughters and 6 grandchildren and 1 on the way.

Rose Brentwood - September 07, 2020 at 07:17 PM

Rose Brentwood, shame on you for trying to incite discord during a time of mourning. This memory was posted from my personal memories of my life with Darry Jr. It is extremely disrespectful and petty for you to make this comment on a memory made from the heart. Again shame on you. If you feel the need to create such disharmony please feel free to contact his wife or mother and they can put you in touch with me directly.

“ I never met Darry or Debbie for that matter. All I can say is this couple were the pure essence of the perfect love. My heart hurts for you Debbie, praying that God gives you peace, comfort and strength to move past the days ahead. Please remember you are never alone, God is right next to you leading the way.

Please let your Pastor know that Catholic people are good people.
There was no need for that comment at a service for a great man!

“Darry was one of my best friends as a child. He was always so nice. I remember one Easter we had an egg hunt at church. Everyone was out looking for the golden egg of course and I had started to circle a tree stump but being a girl I didn't want to dig around in it because you know spiders. So one of the adults brought attention to where I was looking and Darry heard. He came over and started looking where I was and he reached down into the stump and pulled out the golden egg. He was so excited. I sat down and cried and he saw that and ended up giving the egg to me. He was a very dear friend and will be greatly missed.
