“ *My heart was just broken to hear of sweet, sweet, Jan's passing. Our '64 and '65 classes' of Collinsville HS had our "get together lunch" this passed Sat. Oct. 18th when I learned of her going to Heaven. Jan was just one beautiful spirit with her kindness and friendship. My heartfelt condolences to her family. Enjoy eternity with your Bobby. "May flights of Angels sing thee to thy rest."*

“ *Jan was a person who was a friend to everyone she met. I didn't know her well but I worked at Delta and called her friend. I enjoyed chatting with her the few times we ran across each other. She is missed by many.*

“ One of the most kind and sweetest people to walk on the planet. My dear friend and high school classmate has transitioned to Heaven where her loving husband, Bobby as well as some of her high school classmates were there to welcome her. It is difficult to be sad because Jan is so happy in Heaven but we still are. But only a temporary sadness because in the blink of an eye we will be joining her and it will be her turn to welcome us to that wonderful place.
