“ I really met your family in the 70's when our families vacationed together at Callaway Gardens. My sister and I had so much fun playing with all your kids and we have those memories no one can take away. Jane was such a kind person. Although we didn't see each other all that much as adults, when we did get together it was like no time had ever passed. She will be missed and I send my prayers to your family. I am so sorry for your loss.

“ To Marilyn, John, Tom, Ted & the rest of the McMullan family, please accept our sincere condolences & prayers for your loss. I could not believe the sad news that Jane had passed away. I considered her one of my best friends, since we met during our freshmen year at Wesleyan College. She & I shared many trips together, along with many laughs & good times. She will always hold a special place in my heart, & even though she maybe gone, she will never be forgotten. May she rest in peace & continue her "travels" with her sister Anne. God Bless you all. “ My heart goes out to the McMullan family. I have a lot of sweet memories of my friendship with Jane in high school and many years after. She was my first roommate when I moved out on my own, and we shared a great love of movies, sometimes choosing the theatre based on the snacks they offered - such great times! Jane was one of the calmest and kindest people I've known, and the world is a lesser place without her.
