“ *Living next door to your family and getting to know Janice was one of the most wonderful times of my life. Janice played a big role in raising our Jacob and dropped everything to babysit during Eric's many hospitalizations. She was one of the sweetest and most compassionate people I have ever known. Jacob and I are so grateful that she was a part of our lives. We are praying for each and every one of you now and as you navigate life without Janice. We love all of you so much.*
