“ I met Mrs. Janis during our radiation treatment in March of this year. Though she was very sick and weak, she was a fighter and I am so proud of her! She was my bald headed buddy, full of love and life. Mrs. Janis, cancer did not defeat your spirit. I am so blessed to have known you and shared our time together. You are all in my prayers, God bless you all!

“ James I am so sorry and I am praying for you and the family. She was always very loving to all of us at the Coweta Building Dept. She will always be remembered for loving her family unconditionally. For all her children and grands - she always talked about you all and how proud she was of each of you! We loved her dearly

“ I'm sending my love to this sweet family in this time of sorrow. They enjoy being together for holidays and anytime in between. When they get to be together there is love and happiness. That is a gift that will remain with them. Janis was such a lovely person and she will be missed by her family and friends but never forgotten. My love and prayers are with this wonderful family.
