“ My Dear Cousins, I am so sorry I am unable to be with you all now. I shared love of family with Jenny and enjoyed working with her on the Watson Family. A family to be proud of, along with the one she was born into and the one our Good Lord gave to her and Herndon. I love all of you! Lillie

“ Jimmy, Beth, Lynda, Bill and children, The one thing that will always stand out to me about your mom was her love of family. Every time I saw her, she used to say to me that we shared that one trait. How much we love our family - not only our nucleus families, but the whole Walls/Watson clan - she loved hearing the stories from the "olden" days and we always got a kick out of hearing them as well. Now, she is enjoying being back with family who have gone on before us and there is a great family reunion now in Heaven! Y'all can take comfort knowing that you cared for her all of her life, but especially cared well for her at the end. Love in action. We love you all! Cindy & Ken
