“ Danny: I am so sorry to hear about the loss of your wife. I know how devastating it is to lose your spouse, especially during the Christmas season. It is always a sad time of the year for myself and my family .Even though we are first cousins, we have't stayed in touch, and I never had the pleasure of meeting her or any of your family. I think about you, Teressa. and Lynn quite often. I am so sorry, but I will not be able to attend the services for her. I have an incurable disease which affects my entire body and keeps me at home. My thoughts and prayers go out to all of your family. May God wrap his loving arms around you and comfort you and help you to find peace, as only He can.

“ *My sweet sister in Christ, my best friend. We made so many memories ❤️. This still doesn't seem real to me, we just talked on Tuesday looking forward to you coming home for Christmas. But Sis you are home now, and your 1st Christmas celebrated in Heaven and you're not sick anymore. We never said goodbye to one another, just "see ya later" cause we know we will. I love you Sister, already missing you but you are home now.*
