“ Pat & David, Michael & Page, and Jennifer’s precious sons... Jennifer was a dear childhood friend! We went to elementary school together, swam on the swim team together, and shared many lovely memories. When her family moved away in eighth grade, she always reached out and kept in touch. Jennifer was a sweet and faithful lifelong friend. I am so very sorry for your loss and I’m lifting up prayers of comfort for your family. 🙏❤️

“ To the Farmer and Blackwell Family, I am so sad to hear of Jen’s passing. We were neighbors two doors down on Paddock Lane, and I remember excitedly meeting Jen, who was a year older than me when your family moved to the neighborhood. The last time I saw Jen was during a school break before Michael went to college. She so adored being at Clemson and talked about her desires to become a speech therapist. I regret not keeping in touch but did think about Jen over the years. I will remember her forever young and full of life and glad that she is now in Heaven.

“ Dear David, Pat, William, Harrison, and Colin, I was so very sorry to hear about Jennifer's passing. We went to Wootton together and had such a great time when she came into town in 2018 for our 30th reunion. Jennifer was friendly, outgoing, and enjoyed life to the fullest. She loved her family and was so proud of her sons. When Jennifer was diagnosed with lupus, she never complained or felt sorry for herself. She was strong and smart and brave. I admired her so much for that. I will miss her. Your family is in my thoughts and my prayers. You have my deepest condolences.

“ I am so sorry to hear of the passing of Jennifer. We were sorority sisters at Clemson University, Gamma Phi Beta. I was a freshman when she was a senior. She always took the time to talk and hang out with me and others. These words are not enough to describe the time we had together. I will always cherish those memories with her then and the ones we made after college. Jen I am so glad you are whole now. Thank you for sharing your joy of life with me. In PKE, Susan Malcom Tripp

“ Mr. and Mrs. Farmer, Will, Harrison, and Colin, I am so sorry for your loss. I worked with Jennifer for eight years while at the medical center in Dothan. I loved her dearly and we had so many fun times co treating patients and working together. We also had many fun adventures with Helen, Emmie, and Sherry outside of work. We celebrated many birthdays, marriages, and births during those years. We grew as friends and supported each other through good times and challenging ones. My prayers are with you as you move through the coming days, weeks, and months.

“ Mr and Mrs Farmer, Will, Harrison and Collins I am so sorry for the loss of Jennifer. I loved Jennifer and had the pleasure of working with her for many years. We had our children at the same time and I had the wonderful pleasure of seeing each of you come into this world. Jennifer loved you all so dearly and wanted nothing more than to be your mom. Even though time and life circumstances kept us apart there was never a time when I did not think of her and miss seeing her. She was a sweet friend whom I loved dearly. If you need anything let us know. Emmie Reynolds
