“ Dear Tom and Barbara, We are so sorry to hear about Jeniffer. For those of us that have children already in heaven, it is difficult, because we don't think our children will make it there before us. Please know that we are thinking about your family and praying for all of you. Phil and Layne

“ Tom I am so sorry for your loss. I have found peace in knowing that one day we will be together with no pain or hurting, forever. Take heart in knowing they are with our other friends and family that have gone to be with God and remember the good times you had together. If I can do anything for you or your family let me know. Your family will be in my prayers.
