“Wow where to begin, Jennifer was a part of our prodigals prayer group many years ago. She had such a strong desire to see her children return to church but just as strong to see all of our prodigals to return. She was joyful even through her pain and ALWAYS had a smile on her face. She will be missed. Now she is no longer in pain, to be absent from the body is to be present before the LORD. Jennifer finished her race now she is in the rest we are all promised. If she could say one thing to ANYONE reading this it would be. Get right with JESUS so you can join me in heaven when your race is finished. JESUS be with this precious family as they grieve this great loss.

“Dear Jenny, you are already so missed by your family and friends. But even though it hurts so bad to not have you here, we are so thankful that you are well, you are whole, no more tears, no more pain & no more sorrow! You are with Jesus now and you will rest peacefully until that day when the last trump is sounded and we will all meet together in the air on that great getting up morning! Rest in peace until we meet again ❤️
